Enviably feminine, and ever so slightly mysterious

LAURA MONTAGU Production manager
What is your fashion must-have for this summer? A Roland Mouret chiffon wrap top.
What is your perennial fashion favourite? An old Victorian cape that was in my dressing-up box.
Who is your latest fashion discovery? Roland Mouret.
What is your secret fashion source? Dider Ludot in Paris, for vintage couture Chanel.

What is your biggest fashion regret? My mother bought Mary Quant instead of Chanel in the Sixties.
What does 'chic' mean to you? A look that isn't too-laboured.

ANOUSKA FISZ Photographer
Who are your favourite designers? Dries van Noten and Ann Demeulemeester.
What is your perennial fashion favourite? Anything black.
What can't you live without? Virginia Antiques for special pieces (pictured above): I bought my wedding dress there.

SARA BERMAN Fashion designer
What is your fashion must-have for this summer? A yellow chiffon Margot dress from my summer collection.
What does 'chic' mean to you? Not taking it all too seriously, having fun is the new black.
What is your best fashion discovery? Wearing cashmere in bed.
What are your favourite accessories? Straws, bags and belts.
What is your fashion philosophy? I love clothes, and I'm not afraid to experiment and have fun. Each outfit is an expression.

Christa Davis.
Beauty secret Nicky Clarke.
Fashion philosophy In London, she wears western designer chic; in Pakistan, a more traditional style.

PHOEBE PHILO Chief designer, Chloe
Secret fashion source Camden and Brton markets.
Fashion philosophy Phoebe has a quirky multi-faceted style, a fusion of Eastern ethnic, vintage and Portobello street chic.

VICTORIA FERNANDEZ VEGA Special events organiser
What is your must-have for this summer? A beige waist jacket.
What are your star shops? La Joys, Allegra Hicks, Lisa Bruce.
How do you tackle big-night dressing? A black dress, beautiful shoes and one big piece of jewellery.
What is your biggest fashion regret? Buying a pair of running shoes.
What is your beauty secret? To look after the skin, as it is the reflection of the soul.
What does 'chic' mean to you? Less is definitely more.
